Enjoy springtime with Renae-sensei!

“April showers bring May flowers.” After rainy weather in April, flowers bloom in May.

Spring is coming!

What do you do in spring?

I eat _____.

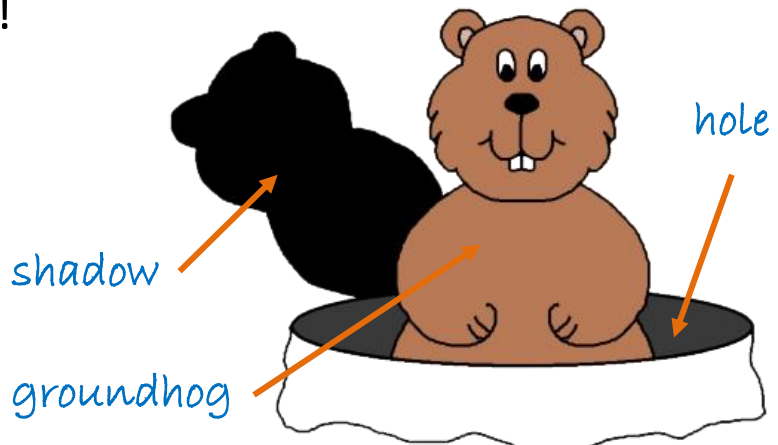

I play _____.

I go _____.

Groundhog Day on February 2nd.

The groundhog comes out of its hole. If the groundhog sees its shadow, it gets scared and goes back into the hole. This means there will be 6 more weeks of winter. If the groundhog does not see its shadow, it means spring is coming!
